Helping startups
Starting a business in Dresden

We support your idea!

Would you like to set up your own business and need counseling? As an information hub and support centre for entrepreneurs we offer:

- Preliminary consulting for startups and business founders
- Advice on the structure and content of a business plan
- Advice on transfers regarding grants and public subsidies
- Information on further advisory service for founders
- Establishing contacts to the relevant networks (research institution, technology- and startup centers)
- Support and consultancy in the years following the launch of the business

You can find us:

Economic Development Office
